

Colorado Gas Energy Efficiency 2009/10 Program Plans

**5th Annual Southwest Regional
Energy Efficiency Workshop
November 13, 2008**

Overview

- **Colorado Gas 2009/10 Plan Summary**
 - **Program Expansion for 2009/10**

CO 2009/10 Plan Summary

2009	Gas Budget	Dkt Savings
Residential	\$5,094,697	138,462
Low income	\$3,363,503	100,579
Business	\$1,209,587	79,100
Indirect	\$2,885,743	0
Total	\$12,553,529	318,141

2010	Gas Budget	Dkt Savings
Residential	\$7,528,935	196,828
Low income	\$3,795,193	109,024
Business	\$1,505,522	96,956
Indirect	\$3,226,713	0
Total	\$16,056,364	402,808

CO Projected 2009-10 Gas Programs

Residential (09)	Low Income (4)	Business (11)
Heating System rebates	Single-Family Weatherization	Boiler Efficiency
Water Heater rebates	Multi-Family Weatherization	Custom Efficiency
Insulation rebates	Easy Saving Energy Kits	Energy Management Systems
Energy Star New Homes	Non-Profit Energy Efficiency	Furnace Efficiency
Home Performance w/ Energy Star		New Construction
School Education Kits		Process Efficiency
Energy Efficient Showerheads		Recommissioning
Home Energy Audits		Segment Efficiency
Consumer Behavioral Change		Standard Offer
		Business Energy Analysis
		Customer Behavioral Change
