Gas prices have driven rate changes; Questar Gas distribution costs have been flat.

Utah annual typical residential bill
Where customer dollar goes

Gas supply: 65¢
Interstate transport: 8¢
Local delivery: 27¢
(Pipes, people, trucks, taxes and profit)

QGC Customer Growth/Usage per Customer

Customers (in 000's)

Usage

Annual Dth

Customers

Usage

300 400 500 600 700 800 900 1000 110 120 130 140 150 160 170 180

The Solution

- Conservation Enabling Tariff (CET)
  - Purpose:
    - Align with customers needs
    - Remove economic barrier to aggressively pursuing customer energy efficiency
    - Collect Public Service Commission allowed revenue (Revenue Decoupling)

- Single-family dwellings with up to four separately-metered units within Questar Gas Utah service area.
- Rebates available until the PSC orders Program completion.
- Documentation required for each appliance or measure.
Federal Tax Credit Rebates

- Qualifying site-built homes constructed and purchased between Jan 1, 2007 – Dec 31st, 2008 are eligible for $2,000 credit on builder’s Federal income taxes.
- Heating and cooling consumption 50% below 2004 IECC code as determined by HERS Rater.
- Homes feature well-insulated envelope, tight ducts, high-efficiency windows and heating/cooling systems.
- $800 ThermWise rebate for homes achieve ENERGY STAR certification, qualify for tax credit and include AFUE gas furnace.

Solar Assisted Gas Water Heating Rebates
(New in 2008)

- Must be installed to support a new or existing gas appliance (boiler, storage water heater or pool heating system).
- Collectors must be OG-100 certified per SRCC website. See ThermWise.com for details.
- $750 ThermWise rebate per qualifying active system, limit 2 per home.
ThermWise Multifamily Rebates Program
(New in 2008)

- Five or more units
- Rebates available for installation of common area or in-unit high-efficient natural gas appliances
- ENERGY STAR certification rebate of $250 per unit

How to apply for rebates

1. Purchase/install a qualified measure
2. Complete rebate application form
3. Attach supporting documentation
4. Mail in application
5. Receive rebate in the form of a check
