Families and businesses are saving with the help of ENERGY STAR®

Nevada is home to more than 74 businesses and organizations participating in the U.S. Environmental Protection Agency’s ENERGY STAR program:

- 6 manufacturers of ENERGY STAR certified products
- 3 companies supporting independent certification of ENERGY STAR products and homes
- 14 companies building ENERGY STAR certified homes, one of which committed to building 100% ENERGY STAR

as well as many businesses, school districts, governments, and faith-based groups using ENERGY STAR resources to reduce energy waste in their facilities.

Across the state of Nevada

- 1,227,653 customers served by ENERGY STAR utility partners
- 105,207 homes have earned the ENERGY STAR
- 3,861 buildings (nearly 450 million square feet) have been benchmarked using EPA’s ENERGY STAR Portfolio Manager
- 126 buildings have earned the ENERGY STAR for superior efficiency, including 1 school, 13 hotels, 1 hospital, and 27 office buildings

Recent Partner of the Year Winner Spotlights

**Energy Inspectors**

“At Energy Inspectors, we value our partnership with the EPA’s ENERGY STAR program for the past 17 years, allowing us to help make many thousands of high performance, energy efficient homes throughout the Southwest.” – Galo LeBron, President & CEO, Energy Inspectors

**PulteGroup Las Vegas**

“Without a doubt, build quality and energy efficiency are the number 1 cause of Pulte’s ongoing success in Las Vegas, and ENERGY STAR’s superior brand knowledge is an important tool for Pulte to leverage as an easily identifiable tool for communicating our energy efficiency standards.” – PulteGroup Las Vegas
